

The following emails were written by Meaghan Varela during the last five months she attended Beaverton Grace Bible Church. Her emails reflect genuine thankfulness for the pastoral care she received during the time she and her family attended BGBC. No one was more vocal than Meaghan and Tim Varela about how blessed they and their family were by the pastoral ministry at BGBC during times of testimony or prayer. Meaghan would often request 5-20 cds of the Sunday sermon to give out to her friends and family.

On Julie Anne Smith's slander-blog and in her legal testimony to the court, Meaghan Varela now claims that she lived in fear of threats made by the pastor that kept her from reporting (FOR SIX MONTHS) the supposed ongoing abuse of at least two children by an older sibling. Meaghan had to fabricate "fear of threats" to justify her long-term failure to report abuse that she claims she knew was taking place for six months before she reported it. According to her fabled account she lived in "fear of threats" that were so frightening that she was unable to find the courage to report the ongoing abuse of children for a period of approximately six months. What kind of threats could keep a woman/mother from reporting the supposed "ongoing" abuse of multiple children? She lied about the children. She lied about the threats. A cursory read of her emails clearly establishes that Meaghan Varela had no concerns about children, and was most certainly not living in fear of threats made by the pastor.

This is a major stick in the spokes of Meaghan's "fear of threats" lie. Meaghan wrote thank you, thank you, thank you, praise God for you, love you, love your teaching, love your counsel, love your ministry emails below during the same six month period she now claims she was too terrified of the pastor to report the monstrous things taking place. Meaghan Varela told terrible lies designed to destroy lives. Meaghan Varela is still telling those same lies. She knows it, and so do her friends, family, and current pastors.

In a bitter attempt to destroy BGBC and Pastor Chuck O'Neal, Meaghan Varela called the Department of Human Services (child protection) and made a false criminal report regarding multiple unnamed children and families of BGBC; she made a specific false report against Matt and Dawn's family; and she made specific false report against Pastor O'Neal and his family (SEE Meaghan Varela Unleashes Hell On My Family -James 3:6, Using the DHS (Child Protection) as a Weapon of Mass Destruction -WMD Part 1, and Meaghan Varela... A Woman of Mass Destruction -WMD Part 2). Meaghan Varela's criminal accusations came on the heels of the firing of her very good friend from the staff of BBC. Her fired friend is the father of the girl that Meaghan and Tim Varela hoped their son would soon marry. Meaghan Varela vindictively used the police and DHS/CPS as weapons of revenge in an attempt to destroy BGBC, Pastor Chuck O'Neal, his family, and Matt and Dawn's family.

As you read her emails below see if you can find the tortured soul of a woman who supposedly believed that children were being abused but was just too afraid of the threats the pastor made to do anything about it. You won't find a tortured, fearful, spiritually abused soul. You will find a blessed and extremely thankful woman, because that is what she was right up until her friend was fired. Her emails expose her destructive lies. Meaghan and Tim Varela need to repent of their vicious assault of our families and our church.

... I appreciate the loving care you and Tonya have ministered to me and my family, and nothing, not even moving churches will ever take that away...we do hope to continue in fellowship with your family, as well as many of the families at BGB...for God's glory.
Much love,
your sister in Him,
Meaghan

... BGBC-you ministered the Word and I know much prayer for us both, for that I am eternally grateful...it is the Word of

God, the Holy Spirit that changed my heart, and of course, prayers of the faithful... I am so thankful to God that BGBC was used as God's instrument for a season. You, your family and the families at BGBC will always have a special place in my heart.

Much love to you as you walk in the light of His Word,
Meaghan

Hi Chuck,
Enough of the nice cities....
I am angry that I have to leave this family who I have grown to love deeply. I am angry that you will not take any correction. I am angry that Tim is apparently being born again and SATAN is stealing the joy out of it. You are no longer my pastor, you are my dear friend. Seems like everyone is tiptoeing around the elephant once again...first in my family of origin...now in my family from God! I am hurt and grieving-that once again, all that I love is being taken away from me! I love Tim dearly, the fruit that God is imputing upon my husband and my dear son Ryan is so glorious, why can I not rejoice with you and my family at BGB? It is NOT the Millers who have caused this-you and the elders are not being kind nor loving-too many people are being hurt...humble yourselves in the sight of our Savior...PLEASE. Christ died for these sins, families are grieving.....Tim is a tough guy to figure out-I love him, see God moving in him. Why didn't you rejoice on Thursday when he was telling you about what God is doing in him?
I am soooo sad
love from my grieving heart to yours
Meaghan

Dear brother
you have to stop this-submit unto God.
we only love because He first loved us
what is love-this isn't love-it is hurting too much-too many of us
He will wipe away every tear...many tears are being shed
GOD CHRIST HOLY SPIRIT

let our flesh be humbled before OUR MIGHTY GOD-we are but dust

please just stop this-make it stop!

love your big sister

... you say you know God's love-and yet we are being spiritually raped....oh BUT GOD!

Our names are written on Christ's hands..we must forgive, even as God in Christ forgave us. oh HOLY SPIRIT COME!

i love you, Chuck, Tonya, Charlie, Jordanna, Joshy and Karen O'Neal
